Committees Greetings!!!

In just a few more months to go and year 2009 will officially ended. Never to realize that, there are lots of things that we've been wanted to do, but we ourselves don't even have the time to do it! Whatever the plan we have in mind, its time again to make sure we achieve it in year 2009 now before it end. We hope all of you can join us working toward it too.

WISHING ALL OF YOU a HAPPY MERDEKA DAY  
and SELAMAT BERBUKA PUASA dan HARI RAYA AIDILFITRI !
